Dear Ms. Hicks,

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 09-865 and proposed by the Indiana Professional Licensing Agency ("IPLA"). The proposed rule 816 IAC 1-2-11, concerning the use of instructors, amends 816 IAC 1-3-6 concerning the barber examination, and amends 816 IAC 1-4-1 concerning barbering instructors, and adds 816 IAC 1-5 to establish fees for application, issuance, or renewal of barber licenses, barber school licenses, barber instructor licenses, or barber shop licenses. The proposed rule also establishes fees for examinations for licensure to practice as a barber instructor or barber, and establishes fees for temporary work permits.

The economic impact statement prepared by the IPLA indicates that fees proposed by this rule are the same fees that were formerly prescribed by statute. Thus, the IPLA has concluded that the proposed rule will result in no increased costs to small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or [rasberry@iedc.in.gov](mailto:rasberry@iedc.in.gov).
